

Green Mountain Hero Vocabulary, Chapters 1-4

March 7, 2018

Dear Parents,

We are going to be focusing on increasing vocabulary instruction during the upcoming months. Research continues to emphasize the importance of an increased vocabulary in building a child's reading comprehension. I am sending home a list of twelve vocabulary words every two weeks. I would like you to try to use the words with your child whenever you can and I am also asking them to try to use the words in their daily conversations with you. If children are ready, I will give them a quiz on the words at the end of the two week cycle. In addition, I am asking that you fill in the chart with your child and send it back to school on Wednesday, March 21st.
